Don't miss out on this once-in-a-lifetime savings offer

Register for convention before September 15, 2010 to get BOGO. That's right, buy one registration and get one for half price. Invite a friend, relative or spouse.

Three ways to get BOGO:

1. Call 800.992.7464 or 918.622.1444.
2. Visit www.sweetadelineintl.org and download the convention registration form. Send or fax the form back to international headquarters.
- 3 Register online at www.sweetadelineintl.org.

The BOGO discount offer is applicable only on full-price member registrations (\$200) and full-price non-member registrations (\$215). If a full-price member and full-price non-member register together with the BOGO offer, the lowest priced ticket will be discounted by half. Competitor registrations and Convention Assistant registrations are not eligible for the BOGO discount.

The BOGO discount calculates to the same price as the member and non-member early bird registration price. Therefore, this offer does not in anyway penalize those registrants that took advantage of the early bird offer. To guarantee the lowest price, registering early is ALWAYS the best option because BOGO will not be offered every year.
